Motion by Martin, seconded by Jones, to accept the minutes from the July 12, 2016 meeting as presented. All yes, motion carried.

Old Business: None

New Business: Fencing for Animals Ordinance NO. 69. Chairman Breckenridge requested that Section 1 of Ordinance NO.69 add a sentence at the beginning that states: "All animals and fowl shall be properly contained with standard type fencing with a specific standard to the animals and fowl contained".

This is being requested because of complaints from neighbor of chickens and ducks coming onto his property and because there is nothing in ordinance stating the word fence and that contained on your property may be miss-understood. Discussion that the property is a "right to farm" parcel, that the Township could ticket the owners as they are in violation of Ordinance 69.

Chairman Breckenridge withdrew his suggestion to add the sentence.

Other Business: None

Meeting adjourned at 7:44P.M.
